News in your community!

[Hello Neighbors](#)

Your HOA Board wanted to reach out with this KG HOA newsletter to pass on information regarding our community. First and foremost, we hope everyone is doing their part keeping a safe social distance while out and about, and not getting sick! We are all in this together, so let's keep each other safe by adhering to the guidelines set by the CDC.

[Road Repairs](#)

We want to thank Alisa Rayel for her diligent calls to the county for road repairs. Please report any road damage to the board@kensingtongrovehoa.com *Thank you Alisa!*

[Garage Sale](#)

The annual garage sale scheduled for Saturday May 16th will need to be postponed due to COVID-19. We will notify Homeowners of the date change.

[Assessment Dues](#)

Currently there are several unpaid 2020 assessments. If you have not made prior arrangements, please pay in full as soon as possible.

[Grounds/Pond/Fountain Updates](#)

Spring landscape cleanup has begun. One pond fountain (Stones Crossing) was installed prior to the ordered shutdown. The Chancery Blvd./Cromwell pond had a damaged power cord, which has been ordered and will be installed as soon as possible.

[Sidewalks & Mailboxes](#)

As our community ages, we will all need to be vigilant in maintaining sidewalks on our individual properties. Each homeowner is responsible to maintain the walks on their property, which would include replacing broken/deteriorating pieces.

Reminder: ponds will not be treated until water temp reaches 65 degrees F

[Yard Mowing](#)

With mowing season beginning, please be mindful of cleaning up grass clippings from the street, the clippings and fertilizer from our lawns wash into the ponds creating a very unbalanced eco system, aka algae. Thank you for your help with this important issue.

Likewise with the mailboxes, please make sure the posts are upright and all pieces (mailbox, paperbox, scroll support and number plate) are in proper place. Also, please repaint, matte black if faded, to keep consistency in the neighborhood. If you need replacement parts, please call Otto's Streetscape Solutions (317) 534-4224.

[Round a Bout](#)

We are currently working on updating the center island. The fountain "bowl" is in need of a lot of work, along with removing all non-working equipment used for the first fountain pump/pool. The fountain has been a huge economical and maintenance drain for the HOA. We are looking into options to give us the "WOW" factor again. We will keep you informed.

[Our Four Legged Friends](#)

Please remember as you enjoy walks or runs with your dogs, bring along bags for cleanup! There are many droppings left in yards, street corners and in the park area. Please help keep your neighborhood clean!
