

EXHIBIT D

Kensington Grove Covenants and Restrictions

Section 1. Air Cooling Units. Air cooling units or other like utilities that are outside of the residential structure must be located at the side or rear of the home and except as may be permitted by the Committee. No window air conditioning units may be installed on any Lot.

Section 2. Animals and Pets. No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any portion of the Properties, except that dogs, cats or other usual and common household pets not to exceed a total of three (3) may be permitted on a Lot unless approved by the HOA/Declarant. However, those pets which are permitted to roam free, or, in the sole discretion of the Association, endanger the health, make objectionable noise, or constitute a nuisance or inconvenience to the Owners of other Lots or the owner of any portion of the Properties shall be removed from the Properties upon request of the Board; if the owner fails to honor such request, the pet may be removed by the Board. No pets shall be kept, bred, or maintained for any commercial purpose. Dogs shall at all times whenever they are outside a Lot be confined on a leash held by a responsible person.

Section 3. Antennas. No exterior antennas, aerials, satellite dishes, or other apparatus for the transmission of television, radio, satellite or other signals of any kind shall be placed, allowed, or maintained upon any portion of the Properties, including any Lot, without the prior written consent of the Board or its designee. Notwithstanding the foregoing, the Declarant, its nominees, successors or assigns shall have the right, without obligation, to erect an aerial or satellite dish, or install other apparatus for a master antenna or cable system for the benefit of all or a portion of the Properties and satellite dishes no greater in size than 18" in diameter are permitted on the Properties so long as they are on the side or rear of a Dwelling Unit or screened from street view.

Section 4. Artificial Vegetation, Exterior Sculpture, and Similar Items. No artificial vegetation shall be permitted on the exterior of any portion of the Properties except as approved by the Architectural Review Committee. Exterior sculpture, fountains, flags, and similar items must be approved in accordance with Article IX of this Declaration.

Section 5. Business Use. No garage sale, moving sale, rummage sale or similar activity and no trade or business may be conducted in or from any Lot, except that an Owner or occupant of a Lot may conduct business activities within the Unit so long as: (a) the existence or operation of the business activity is not apparent to detectable by sight, sound or smell from outside the Unit; (b) the business activity conforms to all zoning requirements for the Properties, (c) the business activity does not involve persons coming onto the Properties who do not reside in the Properties or door-to-door solicitation of residents of the Properties; and (d) the business activity is consistent with the residential character of the Properties and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Properties, as may be determined in the sole discretion of the Board.

Section 6. Clothesline, Garbage Cans, Tanks, Etc. All clothes, sheets, blankets, rugs, laundry clotheslines, garbage cans, mechanical equipment (except a/c and heat pump units), and other similar items on Lots shall be located or screened so as to be concealed from view of neighboring Lots, streets, and property located adjacent to the Lot. Outside clotheslines will not be permitted. Fuel storage tanks will not be allowed. All rubbish, trash, and garbage shall be stored in appropriate containers approved by the Committee hereof and shall regularly be removed from the Properties and shall not be allowed to accumulate thereon. No Owner shall burn or permit burning out-of-doors of garbage or other refuse.

Section 7. Declarant's and the Association's Right to Perform Certain Maintenance and Removal. In the event that any Owner of a Lot shall fail to maintain his Lot and any improvements, or remove any unauthorized item or structure, situated thereon in accordance with the provisions of these Restrictions and the provisions of any recorded plat of the Real Estate, the Declarant, until the Applicable Date, and, thereafter, the Association through its agents and employees or contractors, should have the right to enter upon said Lot and repair, mow, clean, remove or perform such other acts as may be reasonably necessary, to make such Lot and improvements situated thereon, if any, conform to the requirements of these Restrictions and the provisions contained in any such plat. The cost thereof to the Declarant or the Association shall be collected as a special assessment against such Owner and his Lot in the manner provided for herein for the collection of Common Expenses. Neither the Declarant nor the Association, nor any of its agents, employees or contractors, shall be liable for any damage which may result from any maintenance work performed hereunder.

Section 8. Diligence in Construction. Every building whose construction on any Lot is begun shall be completed within the following time periods:

The Villages, The Estates, and The Crossings (excluding lots 261-278, 289-296)	300 days
---	----------

The Overlook and lots 261-278, 289-296 in The Crossings	400 days
---	----------

after the beginning of such construction unless circumstances beyond the reasonable control of the builder and/or Owner prevent such completion. No improvement which has partially or totally been destroyed by fire or otherwise, shall be allowed to remain in such state for more than three (3) months from the time of such destruction or damage. The Declarant and/or Homeowners Association shall have standing and authority to seek an injunction or order for the removal of any materials and partially completed structures in violation of this covenant.

Section 9. Ditches and Swales and Erosion Control. It shall be the duty of the Owner of any Lot on which any part of an open storm drainage ditch or swale is situated to keep such portion thereof as may be situated upon his Lot continuously unobstructed (both by improvements and plant material) and in good repair, and to provide for the installation of such culverts upon said Lot as may be reasonably necessary. It shall be the duty of the Owner of any Lot to establish as needed and to maintain all erosion control on his or her respective Lot.

Section 10. Drilling. No oil or water drillings, oil development operations, oil refining, quarries or mining operations of any kind shall be permitted upon or in any Lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any Lot. No derrick or other structure designed for use in boring for oil, water or natural gas shall be erected, maintained or permitted on any Lot.

Section 11. Energy Conservation Equipment. No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed on any Lot unless it is an integral and harmonious part of the architectural design of a structure, as determined in the sole discretion of the Committee pursuant to Article IX of this Declaration.

Section 12. Fences. No hedges, walls, dog runs, animal pens or fences of any kind shall be permitted on any Lot except as approved in accordance with Article IX of this Declaration. The preferred style of approved fence will be of a wrought-iron style. Chain-link fences will not be permitted.

Section 13. Firearms. The discharge of firearms within the Properties is prohibited. The term "Firearms" includes bows and arrows, slingshots "B-B" guns, pellet guns, paint-ball guns and other firearms of all types, regardless of size. Notwithstanding anything to the contrary, contained herein or in the Bylaws, the Association shall not be obligated to take action to enforce this Section.

Section 14. Ground Elevations and Erosion Control. It shall be the Lot Owner's responsibility to maintain and comply with all building and site finish ground elevations and erosion control as finally required and approved by the Johnson County Drainage Board and the Department of Planning and Zoning as evidenced upon the final construction plans for the development of this subdivision.

Section 15. Heating Plant. Every Dwelling Unit must contain a heating plant installed in compliance with the applicable codes and capable of providing adequate heat for year-round human habitation of the Dwelling Unit.

Section 16. Insurance Impact. Nothing shall be done or kept by an Owner in any Dwelling Unit, or on any Lot, or on any of the Common Areas, which will cause an increase in the rate of insurance on any Common Areas. No Owner shall permit anything to be done or kept in his Dwelling Unit or on his Lot which will result in a cancellation of insurance on any part of the Common Areas, or which would be in violation of any law or ordinance or the requirements of any insurance underwriting or rating bureau.

Section 17. Landscape Easements. There are strips and areas of ground shown marked "Landscape Easement" on the Final Plat for the Real Estate which are hereby reserved for the use of owners of lots to the extent and limited for the purposes set forth in the Declaration and for the use of Declarant and Association for the installation, maintenance, repair and replacement of fences, walls, landscaping, other screening material, street directories, street signs, water wells

and other items requiring maintenance. Except as installed and maintained by lot owners, pursuant to the requirements of the Declarations, or by Declarant and the Association, no permanent or other structure (except walls, sidewalks and fences otherwise permitted hereby or by the Declarant and approved by the Committee) shall be erected or maintained on said strips and areas by the owner of any lot subject to any such "Landscape Easement", and the owners of such lots affected by any such "Landscape Easement" shall take and hold title to their lots subject to the foregoing rights of the Declarant and the Association and shall not do or permit to be done anything which will obstruct or interfere with or remove any installations or landscaping made by the Declarant or Association in any such "Landscape Easement". The foregoing grant of rights to the Declarant shall not impose an obligation on the Declarant to undertake such maintenance unless it elects to do so.

Section 18. Landscaping. No Owner shall be allowed to plant trees, landscape or do any gardening in any of the Common Areas, except with express permission from the Board. Each Lot Owner shall provide reasonable landscaping on his Lot including, at a minimum, suitable foundation landscaping. All landscaping plans are subject to Committee approval in accordance with the guidelines and procedures promulgated by the Committee. The Committee may, in its discretion, modify such plans to promote the integrity and the aesthetic appearances of this subdivision. Finished grading of all yards must be completed within 15 days after the dwelling is constructed, weather permitting, and all yards must be seeded or sodded with grass within ten days after the completion of finish grading, weather permitting. Trees provided by Declarant, if any, will be protected by Owner during construction and replaced within-30 days if damaged or if a tree dies on Owner Lot.

Section 19. Lighting. Except for seasonal Christmas decorative lights, which may be displayed between November 22 and January 10 only, all exterior lights, including but not limited to security and landscape, must be approved in accordance with Article IX of this Declaration.

Section 20. Maintenance of Lots and Improvements. It shall be the responsibility of each Owner to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on his or her Lot. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken on any part of the Properties. No waste shall be committed in any Dwelling or on any Lot. Each Owner shall:

- (i) Mow the Lot at such times as may be reasonably required in order to keep the grass no longer than five inches and prevent the unsightly growth of vegetation and noxious weeds;
- (ii) Remove all debris or rubbish;
- (iii) Prevent the existence of any other condition that reasonably tends to detract from or diminish the aesthetic appearance of the Real Estate;

- (iv) Cut down and remove dead trees;
- (v) Where applicable, prevent debris and foreign material from entering drainage areas; and
- (vi) Keep the exterior of all improvements in such a state of repair or maintenance as to avoid their becoming unsightly.

Section 21. Minimum Building Size. In Kensington Grove Subdivision the following minimum building square footages shall apply; unless approved by the Committee, after giving due consideration to zoning commitments of record:

<u>Community</u>	<u>Ranch</u>	<u>Multi-story</u>
The Villages (lots 1-43, 62-98)	1600	1000 main level, 2000 aggregate
The Estates (lots 299-310)	1800	1400 main level, 2400 aggregate
The Crossings (lots 44-61, 99-200, 260, 279-288, 297, 298)	1800	1400 main level, 2400 aggregate
The Crossings (lots 261-278, 289-296)	2400	1700 main level, 3000 aggregate
The Overlook (lots 201-259)	2600	1800 main level, 3200 aggregate

Section 22. Model Homes. No Owner of any Lot shall build or permit the building upon his Lot or any dwelling house that is to be used as a model home or exhibit house without permission to do so from the Declarant.

The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary, generally accepted meanings, and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (i) such activity is engaged in full or part-time; (ii) such activity is intended to or does generate a profit; or (iii) a license is required therefor. Notwithstanding the above, the leasing of a Lot shall not be considered a trade or business within the meaning of this section. This section shall not apply to any activity conducted by the Declarant or a builder approved by the Declarant with respect to its development and sale of the Properties or its use of any Lots which such entity owns within the Properties.

Section 23. Non-applicability to Association. Notwithstanding anything to the contrary contained herein, the covenants and restrictions set forth in this Article X shall not apply to or be binding upon the Association in its ownership, management, administration, operation,

maintenance, repair, replacement and upkeep of the Common Areas to the extent the application thereof could or might hinder, delay or otherwise adversely affect the Association in the performance of its duties, obligations and responsibilities as to the Common Areas.

Section 24. Occupancy and Residential Use of Partially Completed Dwelling House Prohibited. No Dwelling Unit constructed on any of the Lots shall be occupied or used for residential purposes or human habitation until it shall have been substantially completed. The determination of whether the Dwelling Unit shall have been substantially completed shall be made by the Committee and such decision shall be binding on all parties.

Section 25. Occupants Bound. All provisions of the Declaration, Bylaws and of any rules and regulations or use restrictions promulgated pursuant thereto which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all occupants, guests and invitees of any Owner. Every Owner shall cause all occupants of his or her Lot to comply with the Declaration, Bylaws and the rules and regulations adopted pursuant thereto, and shall be responsible for all violations and losses to the Common Areas caused by such occupants, notwithstanding the fact that such occupants of a Lot are fully liable and may be sanctioned for any violation of the Declaration, Bylaws and rules and regulations adopted pursuant thereto.

Section 26. Other Exterior Attachments. No Owner shall cause or permit anything to be hung or displayed on the outside of the windows of his or her Dwelling Unit or placed on the outside walls of any building, and no awning, canopy, shutter or other attachment or thing shall be affixed to or placed upon the exterior walls or roofs or any other parts of any building without the prior consent of the Committee unless otherwise expressly authorized herein, or in any recorded subdivision plat, or by the rules, regulations and guidelines of the Committee.

Section 27. Parking and Prohibited Vehicles.

(a) **Parking.** Vehicles shall be parked only in the garages or in the driveways, if any, serving the Lots, Parking (of automobiles only) is allowed on dedicated streets only when an Owner has a social function and the invited guests will not be able to park on such Owner's Lot. No overnight parking shall be permitted on any dedicated street.

(b) **Prohibited Vehicles.** Commercial vehicles, vehicles with commercial writing on their exteriors, vehicles primarily used or designed for commercial purposes, tractors, mobile homes, recreational vehicles, trucks denominate as being bigger than three-quarter of a ton truck, trailers (either with or without wheels), campers, camper trailers, boats and other watercraft and boat trailers shall be parked only in enclosed garages. Stored vehicles and vehicles which are either obviously inoperable or do not have current operating licenses shall not be permitted on the Properties except within enclosed garages. For purposes of this Section, a vehicle shall be considered "stored" if it is put up on blocks or covered with a tarpaulin and remains on blocks or so covered for fourteen (14) consecutive days without the prior approval of the Board. Notwithstanding the foregoing, service and delivery vehicles may be parked in the Properties for such period of time as is reasonably necessary to provide service or to make a delivery to a Lot.

Any vehicle parked in violation of this Section or parking rules promulgated by the Board may be towed in accordance with the Bylaws.

(c) Garages and Driveways. No dwelling shall have less than a full size 2-car or more than a 3-car attached garage, unless otherwise approved by the Committee. All driveways and vehicle parking areas shall be hard surfaced with either concrete, or an acceptable alternate approved by the Committee and shall be so surfaced from their point of connection with the abutting street to their point of connection with the garage apron. No gravel or stone driveways will be permitted. No asphalt driveways will be allowed except for those lots in The Estates.

Section 28. Playground. Any Playground or other play areas or equipment furnished by the Association or erected within the Properties shall be used at the risk of the user, and the Association shall not be held liable to any Person for any claim, damage, or injury occurring thereon or related to use thereof. No playground equipment (including, but not limited to, trampolines), tree houses, or similar structures shall be erected on any Lot without prior approval pursuant to Article IX hereof: provided, however, children's play equipment such as sandboxes, swings and slides, shall not require approval by the Committee provided such equipment is not more than six (6) feet high, maintained by the lot owner in good repair (including painting) and every reasonable effort has been made by the lot owner to screen or shield such equipment from view of adjacent lot owners. Equipment higher than eight (8) feet shall require approval of the design, location, color, material and use by the Committee.

Section 29. Private Water Systems. Private water systems will not be allowed.

Section 30. Prohibition of Used Structures. All structures constructed or placed on any Lot shall be constructed with substantially all new materials, and no used structures shall be relocated or placed on any such Lot.

Section 31. Quiet Enjoyment. No portion of the Properties shall be used, in whole or in part, for the storage or any property or thing that will cause it to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept upon any portion of the Properties that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property. No noxious, illegal, or offensive activity shall be carried on upon any portion of the Properties. For greater clarification, no Owner shall knowingly or willfully make or create any unnecessary, excessive or offensive noise or disturbance which destroys the peace, quiet and/or comfort of the Owners or allow any such noise or disturbance to be made on his or her Lot, including any noise by the use of musical instruments, radio, television, loud speakers, electrical equipment, amplifiers or other machines or equipment. There shall not be maintained any plants or animals or device or thing of any sort whose activities or existence in any way obnoxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Properties. No outside burning of wood, leaves, trash, garbage or household refuse shall be permitted within the Properties. Also, excessive grass clippings from the mowing of lawns or other lawn/tree rubbish will not be allowed to be left on any street within the development.

Section 32. Residential Use. The Properties shall be used only for single family residential purposes; provided, however, that such restriction shall not apply to any Lot or part thereof or any other part of the Properties at any time owned by the Association which constitutes a part of the Common Areas and upon which no Dwelling Unit is located.

Section 33. Sales Office. To the extent deemed necessary or desirable by Developer, Developer shall be permitted to place sales offices and construction and storage facilities for uses attributable to the construction, development, marketing and maintenance of the subdivision on any unsold lot or on any Common Area in the subdivision until 180 days following the sale, closing and deed transfer to a lot owner other than Developer of the last lot in the subdivision.

Section 34. Sanitary Waste Disposal.

A. **Nuisances.** No outside toilets shall be permitted on any Lot (except during a period of construction and then only with the consent of the Committee), and no sanitary waste or other wastes shall be permitted to be exposed.

B. **Construction of Sanitary Sewage Lines.** All sanitary sewage lines on the Lots shall be designed, constructed and installed in accordance with the provisions and requirements of Johnson County, Greenwood Sanitation Department, and these Restrictions.

C. **Connection Requirements for Sanitary Sewers.** All homes shall have sewers directly connected by way of gravity except by the use of lift pumps and/or check valves or connections shall be one foot above the lowest manhole in the Subdivision.

Section 35. Sidewalks. Sidewalks shall be constructed as required by the sidewalk plan approved by the Johnson County Plan Commission, which construction shall be the responsibility of the lot owner upon whose lot the sidewalk is to be constructed, provided, however, that any Common Area sidewalks shall be constructed by the Developer as designated on the final development sidewalk plan. All sidewalks to be constructed by lot owners shall be completed at such times as the driveway on the lot is constructed. All sidewalks shall be poured concrete, with expansion joints, such construction to be perpetual and continuous along the street frontages and across the driveway of each Lot. In the event any Owner, or parties with whom Owner contracts for work on the Owner's Lot, causes damage to a sidewalk or street curb such Owner shall be responsible for repairing said damage.

Section 36. Sight Distance at Intersections. All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, or shrub planting shall be placed or permitted to remain where it would create a traffic or sight problem.

Section 37. Signs. No sign of any kind shall be erected within the Properties without the written consent of the Board of Directors, except entry and directional signs installed by Declarant and such signs, as may be required by legal proceedings. If permission is granted to

any Person to erect a sign within the Properties, the Board reserves the right to restrict the size, color, lettering and placement of such sign. The Board of Directors or Declarant shall have the right to erect signs as they, in their discretion, deem appropriate. Signs advertising property for rent are specifically prohibited. Violation of this sign restriction will result in Fifty Dollars (\$50.00) per day liquidated damages, payable to the Declarant until such time as the Association owns and is responsible for the maintenance of the Common Areas, at which time such liquidated damages shall be payable to the Association. The Declarant and/or Association shall approve all signs deemed appropriate by the Committee advertising properties for sale, which signs shall be uniform in design and placed as the Committee shall determine proper.

Section 38. Swimming Pools. Swimming Pools must have the approval of the Committee before any work is undertaken. No above ground swimming pools shall be allowed, provided nothing herein shall preclude installation and use of hot tubs, spas, jacuzzis or similar apparatus with prior approval of the Committee. Permanent backyard pools will be approved by the Committee only after careful consideration of the potential effect of such a pool in neighboring properties. An application for the construction of a swimming pool will not be considered unless the application is accompanied by an application for acceptable fence or other safety protection and landscape design approval. The design of such fence shall conform to county or municipal regulations for such fencing. Use of plantings in the vicinity of the proposed pool may be required to soften the effect of sound and required pool fencing, on adjacent properties.

Section 39. Tennis Courts, Racquetball Courts, Paddle Ball Courts, Basketball Goals, Etc. Tennis courts, racquetball courts, paddle ball courts, squash courts, and other recreational or sporting facilities will be approved by the Committee only after thorough consideration of the potential effect of such a structure or use in neighboring properties. The Committee will not approve non-baffled lighted courts or facilities. An application for the construction of any such facility will not be considered unless the application is accompanied by an application for an acceptable fence and landscape design approval. It is recommended by the Committee that any such fencing be of an open composition in order to blend in with the surrounding properties and soften the effect on adjacent properties.

All basketball backboards or any other fixed games and play structures shall be located behind the rear foundation line of the main structure and within Lot set-back lines unless otherwise approved by the Committee. The Committee must approve the location and type of basketball goals. All basketball backboards must be made of a transparent material.

Section 40. Tents, Trailers and Temporary Structures. Except as may be permitted by the Declarant or the Committee during initial construction within the Properties, no tent, utility shed, shack, trailer or other structure of a temporary nature shall be placed upon a Lot or the Common Areas. Notwithstanding the above, party tents or similar temporary structures may be erected for special events for a period not longer than 48 hours unless otherwise consented to by the Board of Directors of the Declarant.

Section 41. Tree Removal. No trees shall be removed, except for diseased or dead trees needing to be removed to promote the growth of other trees or for safety reasons, unless approved in accordance with Article IX of this Declaration. In the event of an intentional or unintentional violation of this Section, the violator may be required by the Committee to replace the removed tree with one (1) or more trees of such size and number, and in such locations, as the Committee may determine in its sole discretion

Section 42. Utility Lines. No overhead utility lines, including lines for cable television, shall be permitted within the Properties, except for temporary lines as required during construction and high voltage lines if required by law or for safety purposes.

Section 43. Additional Structures. One detached, non-residential building will be allowed per lot in the Estates upon approval of applicable site plan and building plans by the Committee and the Johnson County Planning Department. The Committee has prepared and promulgated, on behalf of the Board of Directors, design and development guidelines for the minimum standards upon which approval will be based such as, but not limited to, the building having the same architectural style as the existing residential dwelling including similar brick or exterior finish and similar shingles. Additional structures will not be allowed in The Overlook, The Crossings, and The Villages unless approved by the Committee.
